

**JOB OPENING: HAZARDOUS MATERIALS SPECIALIST  
MARION COUNTY PUBLIC HEALTH DEPARTMENT  
HEALTH & HOSPITAL CORPORATION OF MARION COUNTY**

Employee Type: Full-Time with benefits

Location: Indianapolis, IN

Date Posted: 1/24/2019

Starting hourly rate: \$18.45

### Job Description

The Hazardous Materials Specialist is responsible for conducting emergency responses, inspections, investigations and surveys to incidents or situations involving hazardous materials/wastes, infectious materials, environmental pollution and radiation sources. The Hazardous Materials Specialist ensures compliance with applicable laws/regulations; initiates appropriate enforcement action and/or recommends course of action to bring violations into compliance. The Hazardous Materials Specialist provides consultation to industry, community, and agencies on controlling/managing hazardous materials in Marion County. The Hazardous Materials Specialist performs assigned tasks related to environmental and public health protection during emergency events or disasters. The Hazardous Materials Specialist performs twenty-four hour (24 hour) response on a rotating basis.

### Job Requirements

Qualified candidates should have a Bachelor of Arts or Bachelor of Science degree with emphasis in physical science, chemistry, environmental science, or closely related area; plus. Two to three years of experience conducting environmental investigations, preferably in the area of hazardous materials/hazardous waste, desired. Registered Environmental Health Specialist or Certified Hazardous Materials Manager desired. Must be able to obtain State of Indiana Hazardous Materials Technician Certification within a year of employment.
